

WINE OF THE MONTH

Boxwood

John Kent Cooke, former Redskins owner and President, and his wife Rita, purchased the historic Boxwood Farm in Middleburg, VA in 2001 to establish a vineyard and winery. Boxwood is dedicated to making wines in the Bordeaux tradition and the winery is densely populated with vines of Bordeaux varietals, all certified by the French government. The Boxwood blend is Cabernet Sauvignon, Merlot, and Petit Verdot. Alluring deep purple color, nose of dark fruits and sweet tobacco. Full bodied and concentrated dominated by flavors of blackberry.
